BOAT LAUNCHING
JAMAICA POND BOATHOUSE**

On Tuesday, June 8 the fifth grade students of the Dennis C. Haley Elementary School in Roslindale will launch the 8 boats they built this past winter.
It is sure to be a fun event.

Check out this video from last year's event.

Boston Family Boat Building brings critical academic subjects and skills -- math, science, social studies, spatial thinking, reading and writing -- to life with experiential learning opportunities for school children. It is a unique program serving Boston Public Schools elementary school children that draws on the outstanding natural features of Boston and its rich history. Now in its third year, the program works with 4th and 5th graders to learn navigation skills in the Harbor, construct a seaworthy 10-foot wooden rowing vessel and learn about earlier Bostonians, particularly African Americans, who worked in the maritime trades. Check out all our programs to bring exciting experiential learning opportunities to students of the Boston Public Schools at

Amelia Peabody Foundation, Cabot Family Charitable Trust and
George A Ramlose Foundation.

BOATS FOR SALE
to support our work with kids
in the Boston Public Schools

Some of the boats built by students in past years are pictured above. They are for sale for \$1,500 each. We have 15. They are 10ft, carvel planked in Maine cedar, framed in white oak from Orange, MA and have a fir plywood bottom. All materials are sourced from sustainably managed forests by certified loggers and milled in FSC certified facilities.
