

Zephyr

The Small Craft Association has awarded a scholarship for 2 BFB students to participate in the Small Reach Regatta.

The scholarship covers entry and camping fees and dinners for the three day event. We need another \$1500 to pay for 2 meals a day, transportation, camping equipment and insurance.

Click [here](#) to support our kids!

Please consider a donation so our students can take an adventure they will never forget. Often a single, significant experience like this makes a huge difference in a child's outlook on the possibilities for their future.

[Make a donation here by credit card](#)

We plan on taking two students, selected from all who have participated in the program to date. The selection process may be the hardest part of this.

There have been so many wonderful, engaged students over the past three years.
