Check them out at

Block Island Maritime Funding is a 501(c)(3) non-profit serving as the boat donation program for Boston Family Boat Building. Their primary function is funding education programs (K through 12) in the marine sciences, encompassing marine biology, marine ecosystems, fisheries science and the development of traditional marine skills such as navigation, sailing and boat building.

Their fleet of boats for sale includes sail boats and power boats to fit every budget. Their charter/sale program makes boat ownership, and philanthropy affordable and easy!
